## **Royal Pacific LED**

### **The Future of Lighting has Arrived!**

Royal Pacific has big plans for 2010! In February we will be launching a new and innovative lineup of LED and Energy Star rated products. This lineup will include complete line of 4", 6" and 8" LED recessed down-lights, LED undercabinet lights and a complete line of hospitality lighting. This is in addition to our already extensive product line of Energy Star rated recessed lights, track lights and Energy Star qualified ceiling fans.

Please see spec sheets and e-catalogs on our website and contact our customer service department at 800-937-6925 for more information today!
