One Piece Bar Hangers

DESCRIPTION

One Piece Bar Hangers are ideal for recessed fixtures with universal mounting brackets and is designed with sturdy material to allow for a secure hold when mounted.

DESIGN FEATURES

Construction

- Steel construction
- 24" Joist Span
- Ideal for recessed fixtures with universal mounting brackets
- Sturdy material to allow for a secure hold when mounted

Installation

- Pre-sized for 24 on center ceiling grids. End of bar folds over to lock bar onto grid without interference from adjacent tile. Can also be used with 16 O.C. grids. For use with any recessed fixture with universal mounting bracket.
