• **Five Years Limited Warranty** •

RP Lighting warrants this product to be free from defects in material and workmanship for five years from the original date of purchase by the consumer. This warranty is limited to the counter replacement at the time of purchase with the original receipt. We will not be liable for the loss or damages of any kind, incidental or consequential damages of any kind, whether based on negligence and/or arising in connection with the sale, use or repair of the product claimed to be defective. Some states do not allow the exclusion or limitation of incidental or consequential damages so above limitation may not apply to you. This warranty gives you specific legal right and you may also have other rights, which vary from state to state. Misuse, improper installation, accidental damages or modifications will void warranty.
