SPECIAL ORDER PRODUCTS

When your project allows for ample lead time, we can provide special order of multiple variations of stocked products including a variety of color, lumen, size, and spec.

We can also provide non-stocked products in a variety of configurations.

- Builder Lighting
- Track Lighting
- Outdoor Lighting
- Recessed Lighting

What Can RP Do For You?

We want to know more about your company and its specific lighting needs. Our experienced team of lighting and fan specialists are ready to shed some light on your project today!

Let's Shed Some Light On It.

Tools to Grow Your Business

Flexible Sales Programs

We'll work with you to meet individual needs for:

- Payment and freight terms
- Rebate programs
- Stock adjustments
- Advertising & Promotions
- Co-op, etc.

Special Pricing

Customer specific pricing per category to increase profitability within individual markets

Aggressively Priced Overall

RP is priced aggressively in EVERY product category - NOT just specific "A" items

Direct Container Opportunities

Programs and discounts available for high-volume customers

The RP Advantage

Market strength is multifamily and builder lighting

Energy Star, JA8 and DLC qualified product to target utility rebate programs

Quality product and a dependable inventory at an incredible value

Ability to develop stocking programs with any existing product category

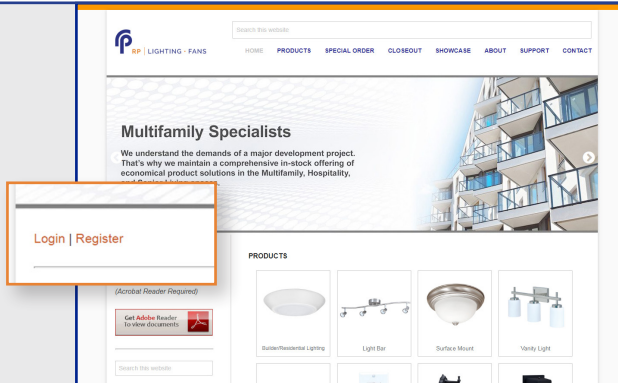

An extensive and contemporary ceiling fan offering separates RP from competitors

Did You Know?

You can create an RP login to view current inventory levels, IES files, and specification sheets - right on our website.
